CORPORATE MESSAGE AND OUR COMMITMENT

Our primary goal is to remain the icon within our business; a first-mover that exceeds consumer expectations in continuously setting new standards of excellence, remaining dynamic, pro-active and committed to our stakeholders.

The **ELITE HOCKEY®** product line is specifically designed to respond to any and all of our consumer's demands. The standards of our products surpasses those of our competitors on the global marketplace.

As a collective front, our dynamic team showcases a corporate culture of excellence that translates into providing all consumers with the finest quality products available in the hockey industry.

Our manufacturing facilities are fully segregated; each one specialized in its respective category. This enables us to maintain stringent quality control procedures while focusing on product development.

As the global leader in the manufacturing of high quality hockey accessories, we are committed to providing programs to our retailers and proud to be the consumer's choice.

ICON-ELITE GROUP invites you to contact one of our dedicated team members to assist you with any of your requirements.

PRO-ULTRA DRY SOAKERS

KEEP YOUR SKATES DRY AND PROTECTED WITH ELITE HOCKEY® PRO-ULTRA DRY SOAKER.

Specially designed to easily “slip” over the sharp edges of your skate blades, the ELITE HOCKEY® PRO-ULTRA DRY SOAKER provide the ultimate protection from nicks and cuts to both your hockey equipment and bag.

Our soakers feature an inner terry lining that absorbs excess water from your skate blades to help prevent them from rusting. The reinforced integrated inner and outer polypropylene web band on the bottom prevents skate blades from chipping and prolongs sharpening.
